

WHY is it essential to be SURE of your MOVE to your eternal destination IN ADVANCE? Because Heaven is only one of the two places of eternal destination people will be in... FOREVER.

While Heaven is wonderful and beautiful beyond anything we've ever seen, heard or even imagined, the other place, Hell... will be HORRIBLE almost beyond description.

Jesus taught and warned about Hell. In Matthew 25:41 & 46, He said it was *"Everlasting fire prepared for the devil and his angels"* but unsaved people would also be there in *"everlasting punishment."* There is a *"great gulf fixed"* that will prevent people from ever leaving Hell. (Luke 16:26) Can you imagine the HORROR of being in Hell with NO HOPE of ever getting out?

BUT... THERE IS GOOD NEWS! God has made provision for our salvation, so we can have solid HOPE and ASSURANCE of Heaven based on His written Word.

If you are CONCERNED about your salvation and future MOVE to eternity (*somewhere*), that CONCERN is a good indication God is calling you to Himself. As part of God's GRACE, He is putting that CONCERN into your heart. In John 6:44, Jesus explained *"No one can come to me, except the Father which hath sent Me draw them."* You should respond **while** He is speaking to your heart by His Holy Spirit.

Jesus clearly taught He was the only way to Heaven. Jesus said, *"I am the way, the truth and the life: No man cometh unto the Father, but by Me"* (John 14:6). **Jesus Christ is God's total provision for our salvation.**

Here is the GOOD NEWS for our future MOVE from Earth to our Eternal Home...

"For God so loved the world, that He gave His only begotten Son (Jesus) that whosoever believeth in Him should not perish, but have everlasting life. For God sent not His son into the world to condemn the world; but that the world through Him might be saved. He that believeth on Him (Jesus) is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God" (John 3:6-18).

What will you do about Jesus? This alone will determine the eternal destination of your **FUTURE MOVE** from life on Earth to Heaven or... Hell forever.

Do you admit you are a sinner and that you need and want God's forgiveness and salvation? YES___ NO___

Do you believe Jesus Christ died on the cross to pay for YOUR sins and rose again for YOUR salvation? YES___ NO___

Will you now place all your TRUST in the death of Jesus Christ alone as the total payment (100%) for your salvation and **YOUR FUTURE MOVE** from this Earth to Heaven forever? YES___ NO___

Welcome to our Community

By Leon Bates

Welcome to the Neighborhood...

If you recently moved into our community, we want to [WELCOME you as a new resident.](#)

MOVING is often a challenge. It can be **EXCITING** and something you looked forward to. Or... it can be **TRAUMA**, an event you were dreading.

PACKING and UNPACKING is a lot of time consuming **WORK** and can be very tiring. It can also be a major source of **S-T-R-E-S-S**.

We hope your moving experience into our neighborhood was **PLEASANT** and that you can enjoy it... as well as this new neighborhood setting.

People often hate leaving old friends, but that loss can be helped by meeting and making **NEW FRIENDS**. We hope our neighborhood will be a source of many **NEW FRIENDS** for you and your family and they become a source of new **JOY** for you and your family.

Many things can influence your like or dislike of this new community. These include commuting to work, traffic, shopping, new schools, finding a new church, neighborhood parks and landscaping, sports, utilities and other community services.

Several of these things may be improved by volunteer activity. Perhaps your family will enjoy helping make a few of these things better. Your participation can be a source of **JOY** for your family as well as other members of this community.

Some families live in the same house and same community all their life. Others make several moves in their lifetime, due to job changes, weather, health or family.

Moving can be disruptive to family life. Children may prefer not to lose friends or school routines, sports, etc., and they hate the idea of moving. Adults commonly have long term friendships they don't want to lose by leaving family and friends.

However, MOVING is sometimes UNAVOIDABLE and UNEXPECTED...

Many families have had to move due to their job. Some get promotions or new jobs and must move whether they want to or not. Others are forced to move due to the loss of their job and the need to relocate to find new work. In either case, the need to move is often sudden and necessary.

Thousands of families have to move unexpectedly due to fires, or weather related events, like earthquakes and hurricanes. Many of the Katrina Hurricane victims did not even live in a previously flooded area. They were uprooted and forced to flee for their

lives. Often they were not able to move back to their former homes and had to find new housing and new jobs (*if they could*).

Whether **MOVING** is planned or unforeseen, it is often difficult, upsetting and distressing to family and friends. **And the new DESTINY may be wonderful or... devastating.**

Have you thought about another MAJOR MOVE that is coming for all of us? Our residence here on Earth is only temporary. Our **FUTURE RESIDENCE** is permanent and forever. It's an **ETERNAL** destination.

It can be more beautiful and more wonderful than anything you have ever **seen, heard or even imagined!** For those of us who have met God's terms for salvation, the Bible, God's Word says:

"... Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him." (1st Corinthians 2:9)

Before Jesus died on the cross and rose from the dead, He clearly confirmed He would prepare a real, literal **P-L-A-C-E** for all saved people to be with Him.

"In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also." (John 14:2, 3)

We can't know when this **MOVE** may happen. It could be at any moment, day or night. **The KEY is to "BE PREPARED" in advance so we can be SURE of the destination.**
